

2026 COLLECTION

Product Catalogue

The full Mr Mobility range, chosen to make life at home easier: rise recliners, beds, scooters, wheelchairs, walking and bathroom aids.

12 ranges • 94 products • Nationwide delivery

SINCE 2023

Helping South Africa live better

Mr Mobility opened in 2023, but we did not start from scratch. Our founder brings more than fifteen years in mobility and home care, and the team more than forty between them. We built the business around honest advice and the kind of care you would want for your own family.

FOUNDER 15+ years in mobility	THE TEAM 40+ years combined	OPENED 2023	DELIVERY Nationwide

Puncture-proof mag wheels keep maintenance low, while stepper tubes help attendants mount kerbs. The folding steel frame supports up to 136 kg, with swing-away footrests aiding transfers.

CAPACITY	SEAT WIDTH	WEIGHT
136 kg	41 / 45 cm	19 kg

Two sizes: 16" and 18" seat width

POWERED MOBILITY

Electric Wheelchairs

Independence indoors and out, without needing anyone to push. Eleven chairs, from a 10 kg carbon folder to a heavy-duty chair rated to 220 kg, including one that folds itself and two that self-propel when you would rather push.

Warranty & repairs

Built to last and backed for the life of the frame. When something does need attention, our own technicians repair it with genuine spares.

Applies to all new equipment supplied by Mr Mobility — scooters, electric and manual wheelchairs, homecare and adjustable beds, rise recliners, patient lifters, walkers and rollators, bathroom and pressure care. Valid for the original purchaser, from the date of delivery, under normal domestic use.

COVERED

LIFE OF THE PRODUCT

Structural frame

Frames, welds, forks, seat posts and lifter mast.

YEAR ONE

Parts and labour

All parts and all labour needed to put a defect right.

YEAR TWO

Replacement parts

Replacement parts for defective components. Labour and call-outs are chargeable.

SIX MONTHS

Battery defects

Manufacturing defects — double the usual three-month industry standard.

NOT COVERED

- Transport and call-outs, except within the first six months, where assessment is arranged at no upfront charge
- Misuse, accident, or improper operation and storage
- Commercial or non-domestic use
- Unauthorised repairs or modifications
- Tyres, plastic trim, and battery fluid damage

This warranty is provided in addition to, and does not limit or replace, your rights under the Consumer Protection Act 68 of 2008.
